

Emberquest 2 Month Online Training & Internship Program

Month 1: Training Phase

- Receive intensive training from industry experts, covering cutting-edge technologies, best practices, and real-world applications.
- Participate in interactive sessions and complete assignments to equip yourself with essential skills.
- Collaborate on projects to enhance your practical knowledge.

Month 2: Project Phase

- Engage in two projects designed to refine your skills.
- Tackle a minor project to hone your problem-solving abilities.
- Dive into a major project that addresses real industry scenarios, guided by experienced mentors.
- Acquire invaluable hands-on experience to boost your confidence.

Monthly One Week: Placement Training

- Receive focused preparation for the job placement process.
- Enhance your interview skills, resume writing, and presentation abilities.
- Learn effective networking techniques and how to showcase your strengths to potential employers.

Achievements Await

- Upon completion, you'll earn a Training Completion Certificate from Emberquest, showcasing your dedication.
- Additionally, you'll receive a recognition certificate, acknowledging your accomplishments.
- These certificates mark significant milestones as you progress towards a successful career.

Join us on this enriching journey to shape a brighter future together!
